To,

All Universities / Institutions

Subject: Annual Refresher Programme in Teaching (ARPIT) available on online SWAYAM Platform - direction / incentivisation for enrolment to the courses by the faculty of higher education centers.

Sir/Madam,

The Ministry of Human Resource Development has launched Annual Refresher Programme in Teaching (ARPIT), a major and unique initiative towards online professional development of 1.5 million higher education faculty using the MOOCs platform SWAYAM on 13th November, 2018.

For implementing ARPIT, 75 discipline-specific National Resource Centres (NRCs) have been notified in the first phase, which are tasked to prepare online training material with focus on latest developments in the discipline, new & emerging trends, pedagogical improvements and methodologies for transacting revised curriculum.

In 2018, the inaugural year itself, the NRCs are expected to cater to around 13 lakh faculty of the total 15 lakh faculty in higher education.

It bears emphasis that the Ministry of Human Resource Development, Government of India has invested significant amount of resources towards capacity building and enhancement of the professional skills of the higher education faculty under Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT) Scheme. ARPIT is one such initiative which aims to enhance the professional skills of faculty by way of online courses in various disciplines developed by the domain experts.

In order to encourage and incentivize faculty to join ARPIT, the proposal to standardize the level of assessment / evaluation of ARPIT for award of degree / certificate and grant of equivalence of same for Career Advancement Scheme (CAS), is under consideration.

In view of the forgoing, you are requested to encourage your faculty to take advantage of the ARPIT courses being provided on SWAYAM platform, not only for keeping themselves abreast of latest development in their disciplines but also for aiding them in their career progression.

Yours sincerely,

(Prof. Anil D. Sahasrabudhe)
