D.O.No. MOS(I/C)-T&C/2020/496
Nov, 2020

As you are aware that our Country is the most sought after nation for tourist across the globe due to its ancient and rich cultural, spiritual and heritage and long history. To overcome the impending crisis being faced by the Tourism Industry due to the Covid 19 Pandemic, several steps are being taken by my Ministry to promote tourism. Hon'ble Prime Minister has emphasized for promotion of domestic tourism through his address in various forums and appealed our citizens to visit different destinations to feel diversity and the variety of the Country. He has also suggested that five to ten destinations could be identified every year and schools and colleges be advised to organize excursion as a concerned effort to build critical areas.

I have got arranged series of Webinar by the Ministry of Tourism on the history and culture of India under the theme of Dekho Apna Desh. A list of the Webinars organized by the Ministry are available in the website of the Ministry, however, a copy of the same is enclosed herewith for your ready reference.

The subject matter of the webinars is wide ranged and focused on our ancient and rich cultural, spiritual history and on tourism potential. It is very informative and could be used to impart the knowledge to the children who could get to know about our country and places better and interesting. As all classes are now being done on virtual mode, it would be more easy to include this as part of the routine subjects which they are being taught.

I shall be grateful if you could instruct the concerned in your Ministry to take necessary action for requesting the schools and other educational institutions to utilize the webinars content to equip the students so that they could have more knowledge of different places and destinations of our country.

Shri Ramesh Pokhriyal
Hon'ble Union Minister for Education
