D.O.No.6(5)/2018-YP

November 29, 2019

Dear Sri Subrahmanyam,

Ministry of Parliamentary Affairs has been organizing Youth Parliament Competitions since 1966 in Schools under the Directorate of Education, Government of NCT of Delhi and NDMC, Kendriya Vidyalayas, Jawahar Navodaya Vidyalayas and Universities/ Colleges.

The objective of the programme is to strengthen the roots of Parliamentary democracy, inculcate healthy habits of discipline, tolerance of the views of others and to enable the student community to know about the parliamentary system of Government functioning

Presently the participation under the programme is restricted to only selected number of educational institutions of the country due to competition format, which is not achieving the main objective of the programme. To increase the coverage of the programme to hitherto untouched sections and corners, this Ministry has developed a web-portal of National Youth Parliament Scheme with the aim of bringing all the educational institutions of the country under the ambit of the Youth Parliament Programme of the Ministry.

Hon'ble President launched the Web-Portal of National Youth Parliament Scheme on the occasion to commemorate the 70th Anniversary of adoption of the Constitution of India 'Samvidhan Diwas' on 26th November 2019 in Central Hall, Parliament House, New Delhi in the august presence of Hon'ble Vice President, Hon'ble Prime Minister and Hon'ble Speaker, Lok Sabha. I am enclosing a copy of the brochure of the Web-Portal of National Youth Parliament Scheme for your kind perusal.

All educational institutions can access the portal at www.nyps.mpa.gov.in to take part in the Youth Parliament programme of the Ministry. The registration for the current session is open till 31st December 2019. The salient features of the web-portal are :-

- All recognised educational institutions of the country are eligible to participate in this programme.
- The registration for participation will be done by the educational institutions through the web-portal.

-: 2 :-

- E-training modules, videos, photographs and scripts are available on the portal for online self-learning of the participants.
- After successful registration, the educational institutions will be able to conduct youth parliament sittings in their respective institutions.
- Each student taking part in the sitting will get a Digital 'Certificate of Participation' and Teachers-in-charge and Head of Institution will get a 'Certificate of Appreciation' through the web portal.
