Workshop on Prime Minister's Fellowship Scheme For Doctoral Research
Organized By
Datta Meghe Institute of Medical Sciences (DMIMS)
Wardha on 14th July 2018

DattaMeghe Institute of Medical Sciences (DMIMS), Wardha has hosted a one day Workshop on “PRIME MINISTER’S FELLOWSHIP SCHEME FOR DOCTORAL RESEARCH” organized by Department of Science and Technology-Science Engineering Research Board and (DST-SERB) and Federation of Indian Chambers of Commerce & Industry (FICCI.), New Delhi. This workshop was conducted to create awareness about the fellowship scheme to the faculty members, research supervisors, research scholars and other audience. Keynote address was delivered by Hon’ble Dr.Ved Prakash Mishra, Chancellor, DMIMS entitled, “Inquisition-The mother repository of research”. It was very well received. Dr. S.S. Kohli, Scientist G and advisor, DST and Member secretary, Apex Council- PM Fellowship scheme, was the Chief Guest for the workshop. The other Guest of honor was Prof.Dr.Prakash B.Behere, Vice-Chancellor, D.Y.Patil Education Society(Deemed University), Kolhapur. Shri.SanchitTalwar, from Federation of Indian Chambers of Commerce &Industry (FICCI.), New Delhi answered queries raised by many participants. There were about 200 participants in the workshop coming allover form different states of India.
The workshop has been inaugurated with lamp lighting, Saraswati Vandana in the presence of Hon’ble Dr. Ved Prakash Mishra, Chancellor, DMIMS, Prof. Prakash B. Behere, Vice-Chancellor, D.Y. Patil University, Kolhapur, Shri. S.S. Kohli, Scientist G, SERB, DST, Dr. Nilam Mishra, Pro-Vice-Chancellor, Dr. Zahir Quazi, Director R & D, & Dr. Abhay Gaidhane, DMIMS.

Dr. Nilam Mishra gave the welcome speech. This was followed by the key note speech of Hon’ble Chancellor on “Inquisition- The mother repository of research”. Our Guest Dr. S. S. Kohli introduced the Prime minister's fellowship scheme to the audience. He explained about the scheme, eligibility criteria, broad criteria for selection, selection process and the funding support. He also added the research projects that have already been awarded under this scheme and enlightened about the significance of academy-industry partnership. The audience was immensely benefited through active question and answer session.

This was followed by an active inspirational session, where, the PM fellow awardees, Mr. Darshal J. Kotak, Institute of Chemical Technology, Mumbai shared their experience highlighted the industry oriented view in selecting a research project for the fellowship. The session finally ended with an inspirational, vibrant talk by the Dr. S.S. Kohli, Scientist G and Advisor, DST-SERB. He spoke about various fellowship schemes such as Ramanujam fellowship and fellowship schemes for women and extramural projects available under SERB. He also advised the audience to choose the right scheme for application and some other suggestions regarding the application of fellowship and funding. The session was concluded with a vote of thanks.

To conclude, “Your imagination is your preview of life's coming attractions”, as quoted by Einstein, we foresee this workshop have helped the research students to realize the importance of PM fellowship and other fellowship available under DST-SERB to achieve their long awaited career goals.
